COURSE DESCRIPTION

- This course will introduce you to the digital marketing strategies to deliver business impact in your future employment or ventures.
- You will first learn to frame business objectives from a marketer's lens, and then identify and apply the appropriate digital marketing strategies to deliver them.
- You will also cover these topics through a combination of real-world case studies and lectures, and apply what you have learned through a semester-long group project.

WHAT IS THE UNIQUE SELLING POINT OF THIS COURSE?

- Led by a digital marketing expert currently employed at Google Singapore (and previously in LinkedIn) who will apply understanding of digital marketing theories through the lens of real-world case studies
- Guest speakers being invited from both digital platform providers (people from Google, FB, TikTok) and digital media buyers (brand owners, media agencies) to create a strong network of industry knowledge for your students
- Led by a fellow Singaporean who also graduated from the Singapore university system (NTU 2010) and can emphasize with your students' curiosity and career aspiration in marketing

PROPOSED METHOD OF EVALUATION

Assignment Type	Proportion of Grade
Class Participation	Individual 20%
Group Presentation	Group 50%
Individual Presentation	Individual 30%

Academic Honesty & Plagiarism

Academic integrity and honesty is essential for the pursuit and acquisition of knowledge. The University and School expect every student to uphold academic integrity & honesty at all times. Academic dishonesty is any misrepresentation with the intent to deceive, or failure to acknowledge the source, or falsification of information, or inaccuracy of statements, or cheating at examinations/tests, or inappropriate use of resources.

Plagiarism is “the practice of taking someone else’s work or ideas and passing them off as one’ own” (The New Oxford Dictionary of English). The University and School will not condone plagiarism. Students should adopt this rule - You have the obligation to make clear to the assessor which is your own work, and which is the work of others. Otherwise, your assessor is entitled to assume that everything being presented for assessment is being presented as entirely your own work. This is a minimum standard. In case of any doubt, you should consult your instructor.
