

FIN4720 SUSTAINABILITY AND FINANCE

Semester: Semester 2 AY 2022/2023
Instructor: Associate Professor Zhang Weina
Department: Department of Finance
Office: BIZ1 #07-47
Email: bizzwn@nus.edu.sg
Contact Number: + 65-65168120

MODULE DESCRIPTION

This module is an advanced finance module that aims to provide integrated perspectives on the topic of sustainability in the domain field of finance. Specifically, the course will cover the value implications of sustainability practices adopted by firms and those demanded by investors and financial institutions. Regulators, not for profit organizations (NGOs) and other intermediaries are also part of the ecosystem. Various financial valuation and investment tools and methodologies are modified and adapted for use.

LEARNING OUTCOME

The students are expected to

1. Understand and learn how the traditional investment principles and techniques are modified to value sustainable projects and financial products related to sustainable returns;
2. Understand and learn how finance concepts and theories are modified for entities with sustainability considerations;
3. Understand and learn how to evaluate the latest and relevant financial innovations and products that are related to sustainability.
4. Understand the landscape of various stakeholders in the development of sustainability and their relevance for policymakers, financial intermediaries and investors.

PREREQUISITES

FIN3101/FIN3701 Corporate Finance
FIN3102/FIN3702 Investment Analysis and Portfolio Management

COURSE MATERIALS

This module will consist of lecture notes, readings, case studies and relevant materials that will be available via canvas.

ASSESSMENTS

1. Class Participation:	20%
2. Group Homework:	20%
3. Group Project:	30%
4. Final Test:	30%
Total	100%

1. Class Participation (20%)

Credits will be given for active participation in class. During the homework presentation and case discussions on the weekly basis, all non-presenting students are expected to raise questions and discuss.

2. Group Homework (20%)

Students will work in groups on four group homework starting from week 3 onwards. There will be questions given for the group, and the group will prepare and share their answers with the class when called during the class in the following week.

The objective of the homework is to cultivate regular and progressive learning of all students to actively think through the relevant contents to be discussed before class and be more participative in class discussion. The evaluation of the homework will be based on the critical thinking and reasoning of the understanding and recommendations if any.

3. Group Project (30%)

There will be a final group project to be given at the beginning of the semester. The interim report is due in Week 7 after the recess week. The interim report will include the executive summary, table of contents, and key elements of the final report (not more than 10 pages). Please name your file as "GroupX_Interim".

The final report is due in Week 12 Monday (<=20 pages inclusive of everything) and accompanied by the EXCEL spreadsheets and powerpoint slides due in before the class. Please name the files as "GroupX_Final".

The presentation will be done in Week 12 in class with a duration of 10 minutes for each group within 12 slides.

4. Final Test (30%)

There will be one final test in week 13.

CONSULTATION HOURS

Friday 2-4pm.

ACADEMIC HONESTY & PLAGIARISM

Academic integrity and honesty are essential for the pursuit and acquisition of knowledge. The University and School expect every student to uphold academic integrity & honesty at all times. Academic dishonesty is any misrepresentation with the intent to deceive, or failure to acknowledge the source, or falsification of information, or inaccuracy of statements, or cheating at examinations/tests, or inappropriate use of resources.

Plagiarism is “the practice of taking someone else's work or ideas and passing them off as one's own” (The New Oxford Dictionary of English). The University and School will not condone plagiarism. Students should adopt this rule – You have the obligation to make clear to the assessor which is your own work, and which is the work of others. Otherwise, your assessor is entitled to assume that everything being presented for assessment is being presented as entirely your own work. This is a minimum standard. In case of any doubts, you should consult your instructor.
