CLASSES

All lecture notes, tutorial questions and reading materials are downloadable from Canvas. All materials from lectures, readings, assignments and tutorials may be included in the examinations.

Classes commence from Week 1 (week beginning 15 January 2024, i.e. first lesson falls on **Tuesday, 16 January 2024**)

TUTORIALS

Groups will be assigned to make class presentations for each of the 8 tutorials in this course. Tutorials will commence from Week 3 onwards. There would be 8 groups to be formed, latest by the second week of class.

GROUP PROJECT

More details will be released. Assigned groups must prepare a written report and make class presentations. The groups for the project will be the same as those for the tutorials

CLASS PARTICIPATION

Students are strongly encouraged to actively participate in class discussions. Students will be graded on an individual basis according to their contributions to the class discussions. In this respect, students should come well prepared for every session in this course. Participation marks are only awarded for participations during class sessions, and not through emails or enquiries sent outside class session.

In addition, I will be using Poll Everywhere to poll the students for responses to some questions that I will ask in class for every lesson. This will contribute to 60% of your class participation.

FINAL EXAM

The Final Examination will be "Closed Book" with authorized materials. You are allowed to bring into the examination hall only ONE A4-sized piece of paper typed or written on both sides for reference purposes.
