Dear Students,

### **ADVANCED PLACEMENT OF COURSES IN THE BBA PROGRAMME**

I take this opportunity to warmly welcome you to NUS Business School.

Before the new academic year commences, we would like to inform you that Advanced Placement Credits [obtained through the Advanced Placement Test (“APT”)] may be granted to students who are enrolling into the BBA programme in AY2024/25. Students who are granted Advanced Placement Credits from APT may be able to read fewer courses; hence, graduate earlier than the stipulated candidature.

Please refer to the following web links for further information:

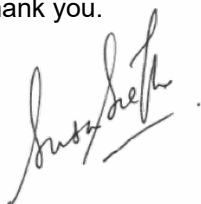

- a) Advanced Placement Credits Policy, the list of courses (with the respective course outline) available for APT, and online application submission are accessible from <https://bba.nus.edu.sg/academic-programmes/course-registration-information/general/>
- b) The eligibility criteria for taking APT can be viewed from <https://bba.nus.edu.sg/wp-content/uploads/sites/51/2024/03/APTEligibilityCriteria.pdf>

Application to sit for APT is optional. If you wish to apply to sit for APT, you are required to submit an [online application](#) and upload your transcript/s in a single PDF file. Please note that the online application portal will close by 11.59 pm on **14 June 2024 (Friday)**. Late applications will not be accepted after the online portal is closed.

The outcome of your application to sit for APT will be released by **21 June 2024 (Friday)** via the email address stated in your application form. It is essential that you state this email address accurately. You are advised to check your inbox, spam, and junk folders promptly so as not to miss the release of your application outcome.

It is important to note that the respective APTs will take place **only once** between **1 July 2024 (Monday)** and **4 July 2024 (Thursday)** with **no** extension or make-up test dates available. Students who have sat for the APTs will receive their results via their NUS email by **12 July 2024 (Friday)**.

Thank you.
