NUS BBA Sample Study Plan (Notes)

- The sample study plans are for reference only. As a guide, students are recommended to read 40 units per year, 160 units for 4 years (minimum 18 units every semester).

- Students may adjust their plans to fit in their Global Experience Milestone (such as overseas exchanges/study trips) and Work Experience Milestone (such as internships/Work-Study Internship Programme) activities.

- To avoid situations where units are not transferred or processed in time for graduation, students are not allowed to embark on any overseas exchanges and credit-bearing internships in their final semester.

- Students must declare their primary BIZ major before the start of the 5th semester.

NUS BBA Sample Study Plan (Notes – cont'd)

- Students are recommended to complete their Career Compass Starter Workshops (STR1000 and STR2000) before the end of their 6th semester.

- The General Education (GE) curriculum consists of 6 pillars. Students are strongly encouraged to start reading their GE courses early and no later than the 6th semester.

  ➢ Specifically, students are recommended to complete the GE course under the Data Literacy pillar (GEAxxxx) no later than the 2nd semester.

  ➢ DAO1704 will used to fulfill digital literacy (GEI) pillar.

  ➢ Service learning courses under the Communities & Engagement pillar (GENxxxx) are mostly year-long courses and students should ensure that they can complete the course without disruption. Refer to the Service-Learning Commitment section of the FAQ for more details - https://nus.atlassian.net/wiki/spaces/CnE/pages/25297048/C+E+FAQ

- Students may complete a 2nd major (40 units), up to two minors (20 units each) or credit-bearing internships (up to 12 units) subject to the availability of the UE space.
